Sickle Bar Mower Assembly Instructions

Disclaimer:

This is my attempt to improve the translation of this document to the English language mostly using what I consider to be the correct mechanical terms and grammar to the best of my ability. Also, to clean it up - I removed the Italian, French and Spanish translations. I did it to help me in the assembly of this machine.

Use this document at your own risk with the understanding that it is still an imperfect document. A few examples of terminology that have been changed:

Elastic Pin = Roll Pin

R pin = Hairpin cotter pin

Group = Assembly

Fixing Rod = Hold Down Rod

Protective Cover = Safety Guard

Lightening Spring = Weight Lift Assist Spring

Cylindrical Seat = Housing

P. Fuster 07/28/2020
